

At-Last!

A New Way To play Real Soccer

A Fantastic Invention to become Champions

dribbling You can stand or you can sit

exciting!
thrilling!
suspense!

A real Game in two minutes between two teams who play a modern Dynamic Soccer! Any famous coach would envy the great team action play, the overwhelming number of beautiful goals, never seen before, in this "Out of Sight Soccer Game"...

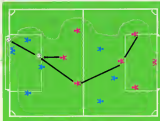

dribbling A Stadium inside the Bar

The Gusto of the Battle,
the sensation of the competition,
to feel and to be the best around.

Real championships in only one day! The most revolutionary invention of the 80's that will take the Game of SOCCER sky high!! A fabulous imitation far greater than reality.

dribbling : one cabinet, 2 ways to play
